### BOSCO uses an independent outside juror. Items a juror may consider in evaluating work:

- Evidence of technical skill and control in the use of media
- Creative use of formal design elements (pattern, color, rhythm, texture, line, light and dark, etc.)
- Overall unity in the work, consistency of purpose and technique
- Individuality of expression, uniqueness

*BOSCO looks forward to a successful 2019!*

**\* Participating Members** are eligible to participate in the annual Open Studios weekend and all the exhibits throughout the year, welcome to all events, remain on the distribution list, website, and maintain juried membership and voting rights.

**\* Supporting Members** do not participate in the annual Open Studios weekend, but are welcome to all other events, remain on the distribution list, website, and maintain juried membership and voting rights.

**\* Student Membership** is only available to currently registered full-time students, or current year spring graduates. Must provide a copy of current semester's 12-credit class schedule. This membership level receives the same benefits as Participating Members.

**\* Emerging Artists** category is designed for those individuals with little or no prior experience exhibiting their artwork. Those applying in this category must abide by the same rules and application process (including application fee) as those applying in other categories. We will accept up to 2 artists in this category per year and the scholarship will cover the membership fee for that year. In return, each recipient will be asked to complete at least 10 hours of volunteer work serving on a BOSCO committee.

**\* Shared Studio Membership** is available to two or more artists who make their work at the same physical location. Each artist must apply, jury in, and be accepted individually.
